

The sideline/player area is as follows, Team A and their parents will be on the same sideline. The team bench will be on the assistant referee side of the field. Team B and their parents will be on the same sideline as well, and the team bench will be on the same sideline as the assistant referee.

ALL STRIKERS COACHES ARE EXPECTED TO BE AWARE OF AND FOLLOW THIS POLICY

- It is your responsibility to educate your parents regarding this policy.
- Help enforce this policy on your sidelines and back up the referees when they ask you to comply.
- There are to be no spectators of any kind behind any of the goals or spread at random along the sidelines.
- ALL coaches must stay in their technical area (TEAM BENCH AREA) when coaching and may not walk the sidelines or have other coaches at random along the sidelines or behind the goals in order to coach.
- Be respectful of the Assistant Referees in front of your bench area (You never know if they may be a child of a UYSA league official or a member of our Strikers club).
- As a representative of the Strikers Organization I trust that each of you will take the high road of integrity in regards to this. Thanks.
